

Swinging honeycomb nest

GENERAL INFORMATION

The floating honeycomb nest is a great alternative to a classic bird's nest swing. It offers a playful wobbly seat for approx. 2-3 children. Here you play together, but it also offers variety for solo play.

MATERIAL

- 4 steel uprights (Ø 102 mm), hot-dip galvanised, length 2.00 m, with plastic cover cap,
- special paint (blue) for painting at extra cost
- 1 HUCK honeycomb nest (Ø 1.00 m) with 4 suspension ropes
- ropes and nets made of Hercules rope (Ø 16 mm, 6-strand, with steel insert).
