With this floor trampoline you can give your playground a swing. With a jumping area of 1.35x1.85 m, young and old children alike have plenty of room for jumping and romping. Thanks to the vandal-proof jumping mat, the trampoline is perfectly suitable for public playgrounds and facilities.

- Jumping surface: non-slip, vandal-proof mat for medium jumping height.
- The jumping mat is unhooked for easy cleaning.
- No concrete work is necessary because of the buried frame included in the delivery.
